- BUWOG Holding GmbH, Vienna, Austria (member of the supervisory board)

This position is as a member of the supervisory board of a subsidiary of the Vonovia Group (group position).

Christoph Schauerte graduated from the University of Mannheim with a diploma in Business Management. He began his career in 1989 with Ernst & Young AG, Düsseldorf in the area of auditing and completed his qualifications as a tax advisor in 1993. Following this, he acquired experience in international accounting with Ernst & Young LLP in Boston, USA. Since 1997, he has held senior positions in the area of group accounting with various listed companies. During this time, he has gained a detailed understanding of M&A processes, including private equity transactions, and comprehensive experience in the areas of integration and reorganisation. He has had responsibility for modelling and implementing processes for accounting, reporting and drawing up end-of-year statements of accounts, as well as processes for planning and controlling. He has also expanded his experience of capital markets by negotiating equity and loan capital financial instruments. In particular, this experience included the IPO of the Elster Group SE and the IPO of Deutsche Annington SE. Since 2012, he has been Head of Accounting at Vonovia SE.
