

# Henrik Thomsen

Chief Development Officer (CDO), Deutsche Wohnen SE  
Appointed until 31/12/2023

Henrik Thomsen (\*1964, nationality: German/Danish) completed his engineering studies at the Odense Teknikum, Denmark in 1991 as a graduate engineer. In 2002 he also earned a degree in Real Estate Economics from the European Business School in Berlin.

Henrik Thomsen has many years of management experience in the field of urban quarter and project developments.

Between 1992 and 2008, he worked for Drees & Sommer GmbH and DB Station & Service AG, among others, where he supervised urban quarter and project developments such as the construction of the embassies of the Nordic countries in Berlin and the project management for Berlin's main railway station. From 2008 to 2014, Henrik Thomsen headed the Berlin office of CA Immo Deutschland GmbH. From January 2013 he was also responsible for the Group-wide project development activities.

From April 2014 to June 2019, Henrik Thomsen was Managing Director of Groth Development GmbH & Co. KG. He was responsible for urban quarter and project developments, project management, corporate communications and corporate development.

From 2012 to 2018, Henrik Thomsen taught Project Development International at the Danube University Krems, Austria, as part of the Real Estate Management (MSc) program.

Henrik Thomsen was appointed a member of the Management Board of the Deutsche Wohnen as of 1 October 2019. As Chief Development Officer he is responsible for Property Development & Technical Maintenance, Technology Investments and Neighborhood Development.
